

4th World Renewable Energy Technology Congress & Expo-2013

25th to 27th September 2013

Convention Centre-NDCC, Parliament Street, Opposite Jantar Mantar, New Delhi, India

Theme : **Promoting Renewable Energy, Green Energy for Sustainability**

World Renewable Energy Technology Congress, The India's premier renewable energy annual event, WRETC-2013 where you will share ideas with global renewable energy industry leaders, experts, financiers, network and do business with leading companies. It's a great opportunity to expand your business and keep up-to-date with developments in renewable energy technologies.

The 4th World Renewable Energy Technology Congress and Expo-2013 is the most important renewable energy industry conference that will have **96 high profiled global speakers and industry leaders** in **Plenary sessions, interactive Keynote sessions, CEO's Forum**, thought-provoking **panel discussions** and **poster sessions** to provide the focal points for translating knowledge into action. The Congress encourages activities of business matching, **B2B meetings**, especially focused on key industry issues and emerging energy solutions while pursuing business building and networking.

Nominations are invited for the "**Energy And Environment Foundation Global Excellence Awards 2013**" in **Renewable Energy Sector**. Foundation goal has been to honor and recognize those who have made outstanding contribution and demonstrated excellence creativity, innovation and applied best practices in renewable energy and environment industry. The Award will serve as a recognition and tribute to the winner's professionalism commitment to demonstrate excellence in Renewable Energy Sector. **Energy And Environment Foundation Global Excellence Awards 2013 will be conferred on the Inaugural Ceremony of the 4th World Renewable Energy Technology Congress on 25th September 2013.**

Exhibitors are invited to display their cutting-edge technology, innovations, products and services. With over 300+ delegates from across the globe gathering for the conference and Expo. Networking with industry key people over lunch, cocktails and gala-dinner night. Meet industry peers and policy makers over three days of exciting networking sessions.

We look forward to welcome you for a stimulating exhilarating professional experience at 4th World Renewable Energy Technology Congress and Expo-2013 during September 25-27, 2013 being held at Convention Centre-NDCC, Parliament Street (Opposite Jantar Mantar), New Delhi, India.
