

5th World Renewable Energy Technology Congress & Expo-2014 **21st to 23rd August 2014 at New Delhi, India**

Theme: **Renewable Energy and Energy Efficiency: Empowering Sustainable Tomorrow**

World Renewable Energy Technology Congress, The India's premier renewable energy annual event, WRETC-2014 where you will share ideas with global renewable energy industry leaders, experts, financiers, network and do business with leading companies. It's a great opportunity to expand your business and keep up-to-date with developments in renewable energy technologies.

The 5th World Renewable Energy Technology Congress and Expo-2014 is the most important renewable energy industry conference and expo that will have **150+ Exhibitors, 15000 sqm exhibition space, 500+ conference delegates, 105+ high profiled global speakers and industry leaders** in **Plenary sessions, interactive Keynote sessions, CEO's Forum**, thought-provoking **panel discussions** and **poster sessions** to provide the focal points for translating knowledge into action. The Congress encourages activities of business matching, **B2B meetings**, especially focused on key industry issues and emerging energy solutions while pursuing business building and networking.

Speakers and delegates from **Australia, Brazil, Denmark, Finland, France, Germany, Israel, Japan, Malaysia, Mexico, Netherlands, Norway, Portugal, Singapore, South Africa, Spain, Sweden, Switzerland, UK, USA** apart from key executive of many national Renewable Energy companies have confirmed their participation in the Congress. Many students will also be attending. www.wretc.in

Nominations are invited for the "**Energy And Environment Foundation Global Excellence Awards 2014**" in **Renewable Energy Sector**. Foundation goal has been to honor and recognize those who have made outstanding contribution and demonstrated excellence creativity, innovation and applied best practices in renewable energy and environment industry. The Award will serve as a recognition and tribute to the winner's professionalism commitment to demonstrate excellence in Renewable Energy Sector. **Energy And Environment Foundation Global Excellence Awards 2014 will be conferred on the Inaugural Ceremony of the 5th World Renewable Energy Technology Congress on 21st August 2014.**

Exhibitors are invited to display their cutting-edge technology, innovations, products and services. With over 500+ delegates and more than 5000 industry visitors from across the globe gathering for the conference and Expo. Networking with industry key people over lunch, cocktails and gala-dinner night. Meet industry peers and policy makers over three days of exciting networking sessions.

We look forward to welcome you for a stimulating exhilarating professional experience at the **5th World Renewable Energy Technology Congress and Expo-2014** during August 21-23, 2014 being held at **Expo & Convention Centre, Manekshaw Centre, Near Dhaura Kuan, Delhi, India.**
