

## **8<sup>th</sup> World Renewable Energy Technology Congress & Expo 2017** **Renewable Energy: Global Cooperation for Sustainability**

---

The most inspiring international platform for the Global Renewable Energy Sector

---

New Delhi, March 14, 2017: 8<sup>th</sup> World Renewable Energy Technology Congress & Expo-2017 scheduled from August 21 to 23, 2016 will focus on '**Renewable Energy: Global Cooperation for Sustainability**, where you may share ideas with global renewable energy industry leaders, experts, financiers, network and do business with leading companies. It's a great opportunity to expand your business and keep up-to-date with developments in energy technologies. Dr. Satish B. Agnihotri, Former Secretary MNRE, Government of India, will be Chairing the 8<sup>th</sup> World Renewable Energy Technology Congress & Expo-2017. [www.wretc.in](http://www.wretc.in)

WRETC has become a premier event focusing on Renewable Energy Technology, Power Utilities and Transmission, Bioenergy, Biofuels and Renewable Materials. 8<sup>th</sup> WRETC & Expo-2017 shall provide vital information about the latest concepts, trends and technological developments with special focus on fostering co-operation for generating green business. The exhibition will showcase latest green technologies, equipment's, products and services.

The 8<sup>th</sup> World Renewable Energy Technology Congress and Expo-2017 is the most important renewable energy industry conference that will have **115+ high profiled global speakers** and **industry leaders** in **Plenary sessions, interactive Keynote sessions, CEO's Forum**, thought-provoking **panel discussions** and **poster sessions** to provide the focal points for translating knowledge into action. The Congress encourages activities of business matching, **B2B meetings**, especially focused on key industry issues and emerging energy solutions while pursuing business building and networking. [www.wretc.in](http://www.wretc.in)

**Call for Abstract/Paper** - Abstract should be one page A4 400-500 world only, single spacing using Arial Font 10. It should contain title, author/s names, full address & email. For topics visit WRETC website [www.wretc.in](http://www.wretc.in)

As an added special feature nominations are invited for the **Energy And Environment Foundation Global Awards 2017 in Environment / Sustainability / GreenBuilding / Waste Management**. Award's application complete with all information and documents alongwith applicable processing fee should be submitted to the Secretariat by **June 30, 2017**. [www.ee-foundation.org/awards.html](http://www.ee-foundation.org/awards.html)

**Exhibitors** are invited to display their **cutting-edge technology, innovations, products** and **services**. Premium Exhibition space & stalls are being sold fast on first-come-first-serve basis. If interested act fast. With over 350+ delegates from across the globe gathering for the Conference and Expo. Networking with industry key people over lunch, cocktails and gala-dinner night. Meet industry peers and policy makers over three days of exciting networking sessions.

We welcome you for a stimulating exhilarating professional experience at the **8<sup>th</sup> World Renewable Energy Technology Congress and Expo-2017** during August 21-23, 2017 being held at New Delhi, India.
